Angioplasty???

The notorious lymphatic stenosis

Traffic jam theory

1 week later

Moderate chest pain  
dyspnea

Chylothorax

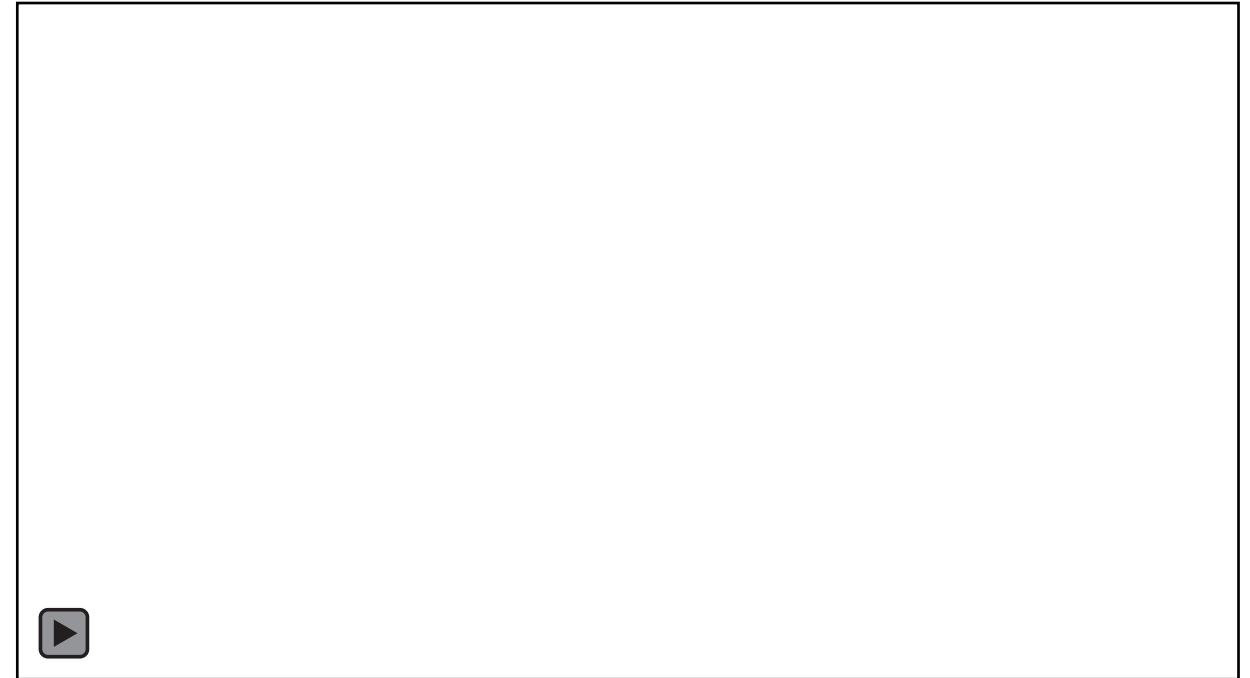

Right thoracic drainage: 3 liters of pure chyle

medical treatment, and drainage in place over the weekend

removed rapidly because not productive

follow-up at one week

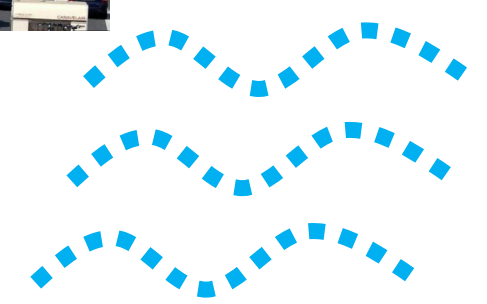

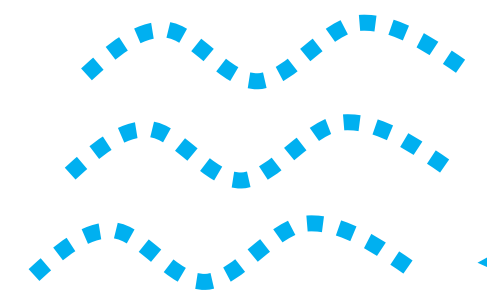

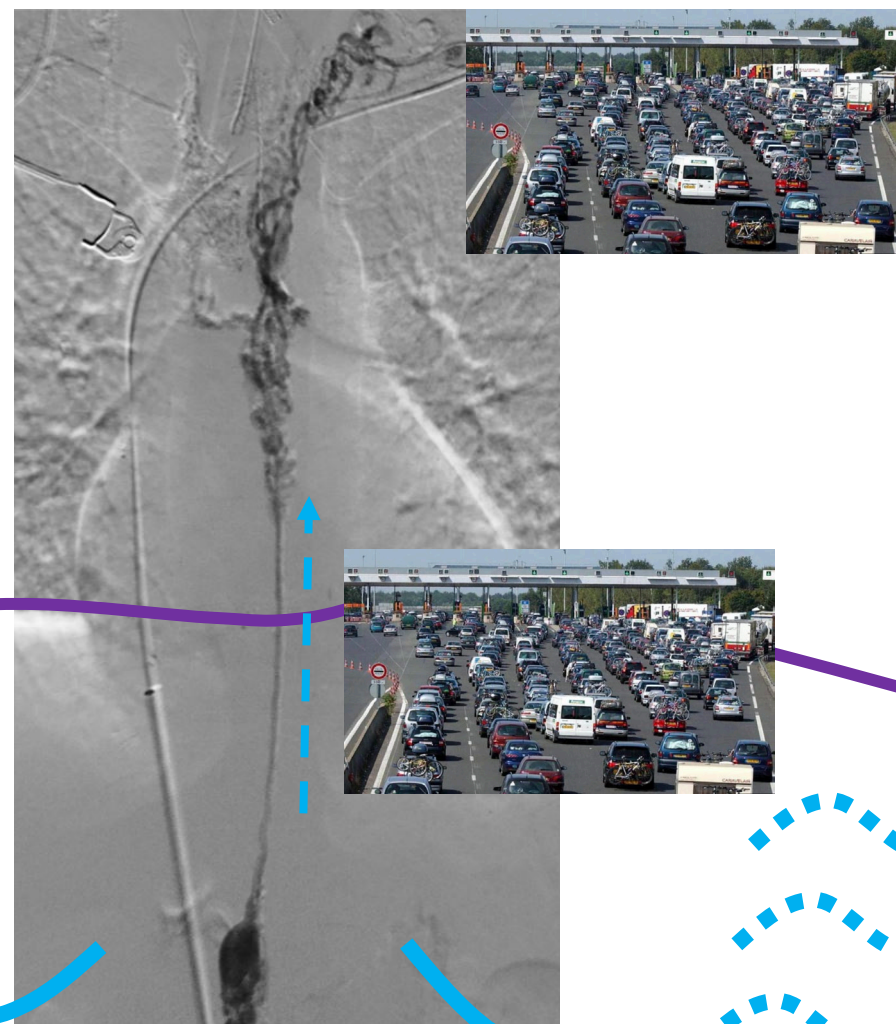

Now: 6L of chylous ascites every 10 days ...

No more chylothorax

What Happened ???

# The Lymphodynamic theory

Ascites

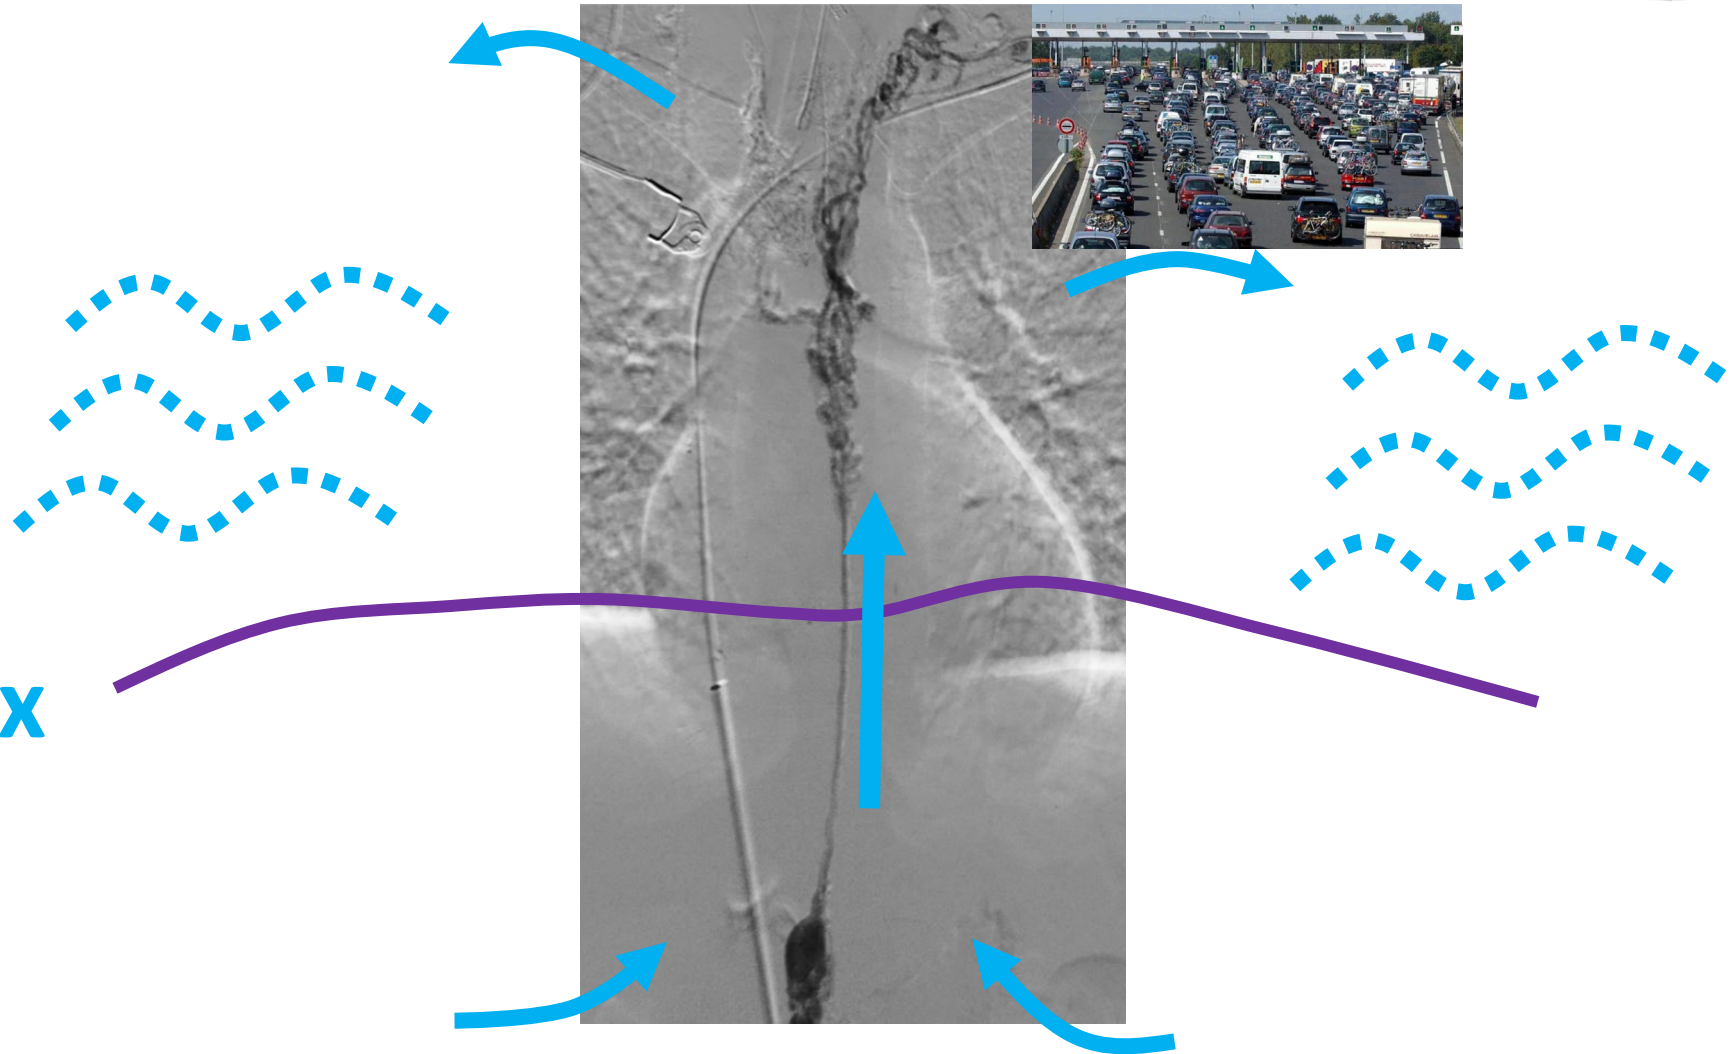

# Angioplasty of mediastinal TD

## Angioplasty failure au extra mediastinal TD

1 week

chylothorax

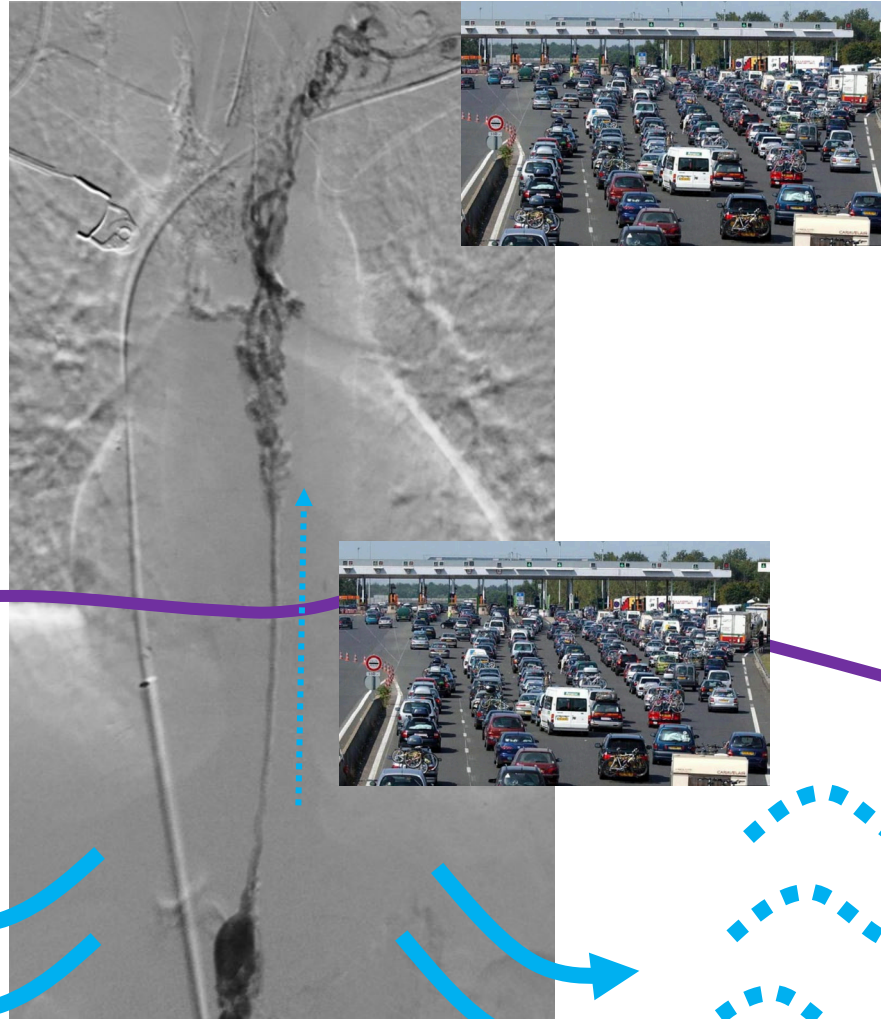

recoiling

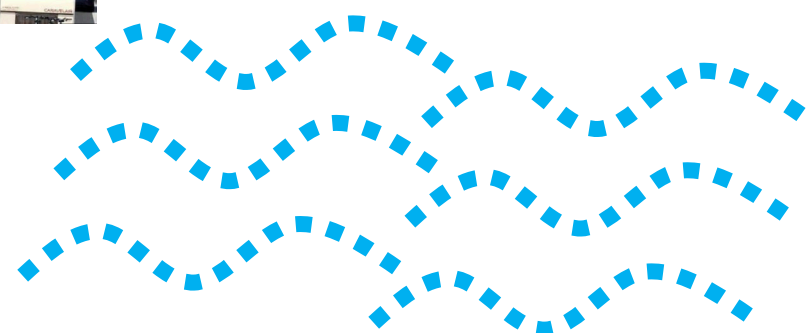

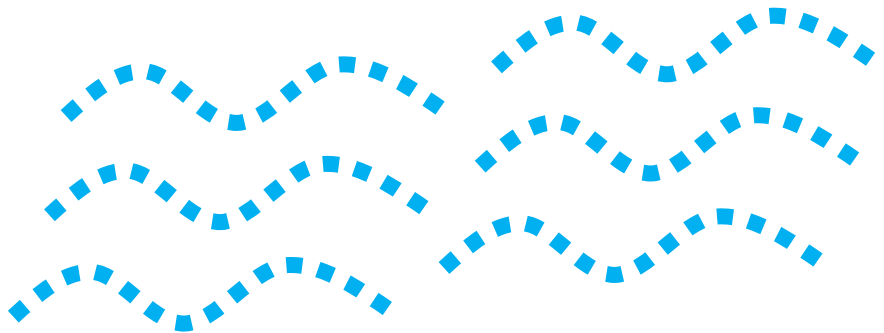

Lipiodol = oil sand

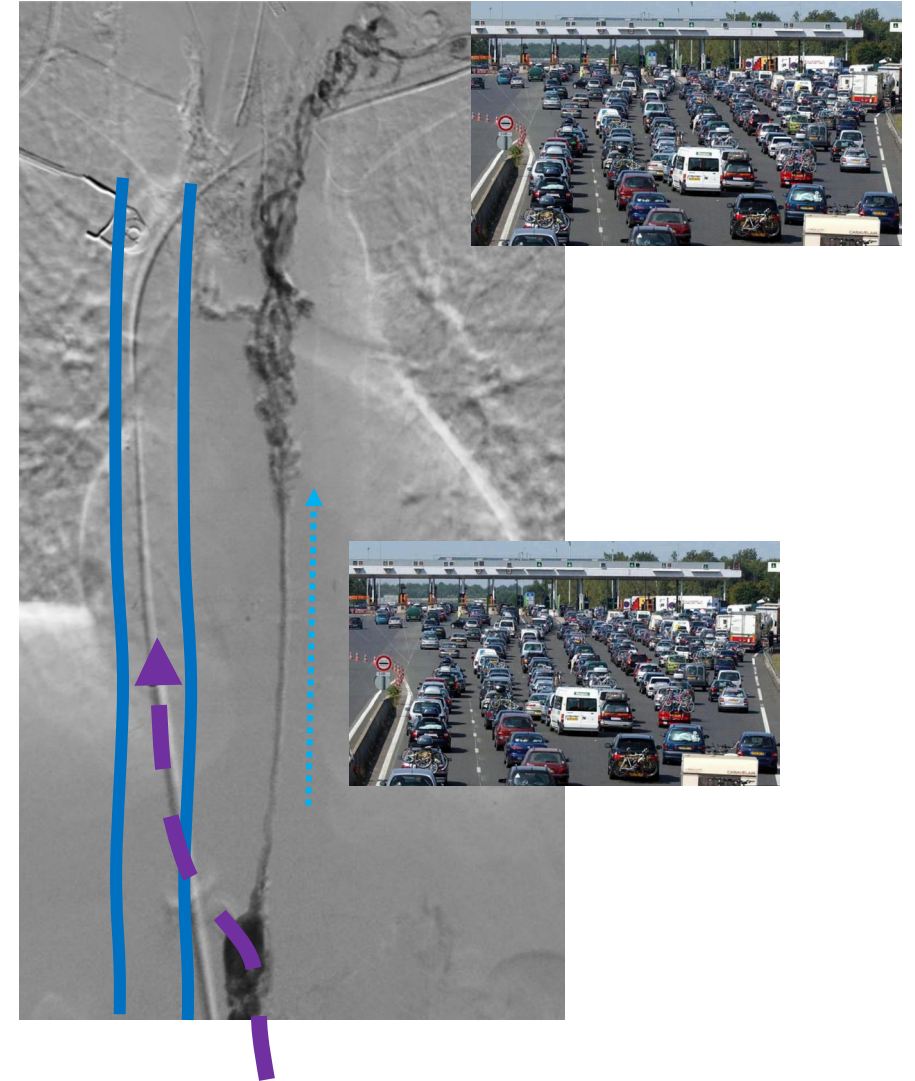

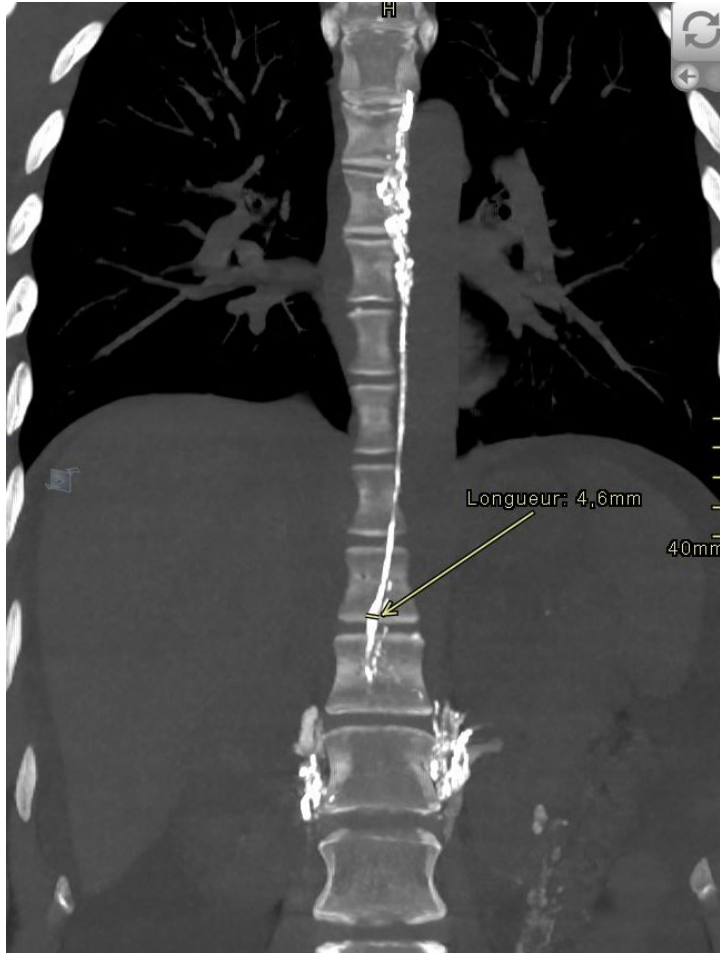

1 week

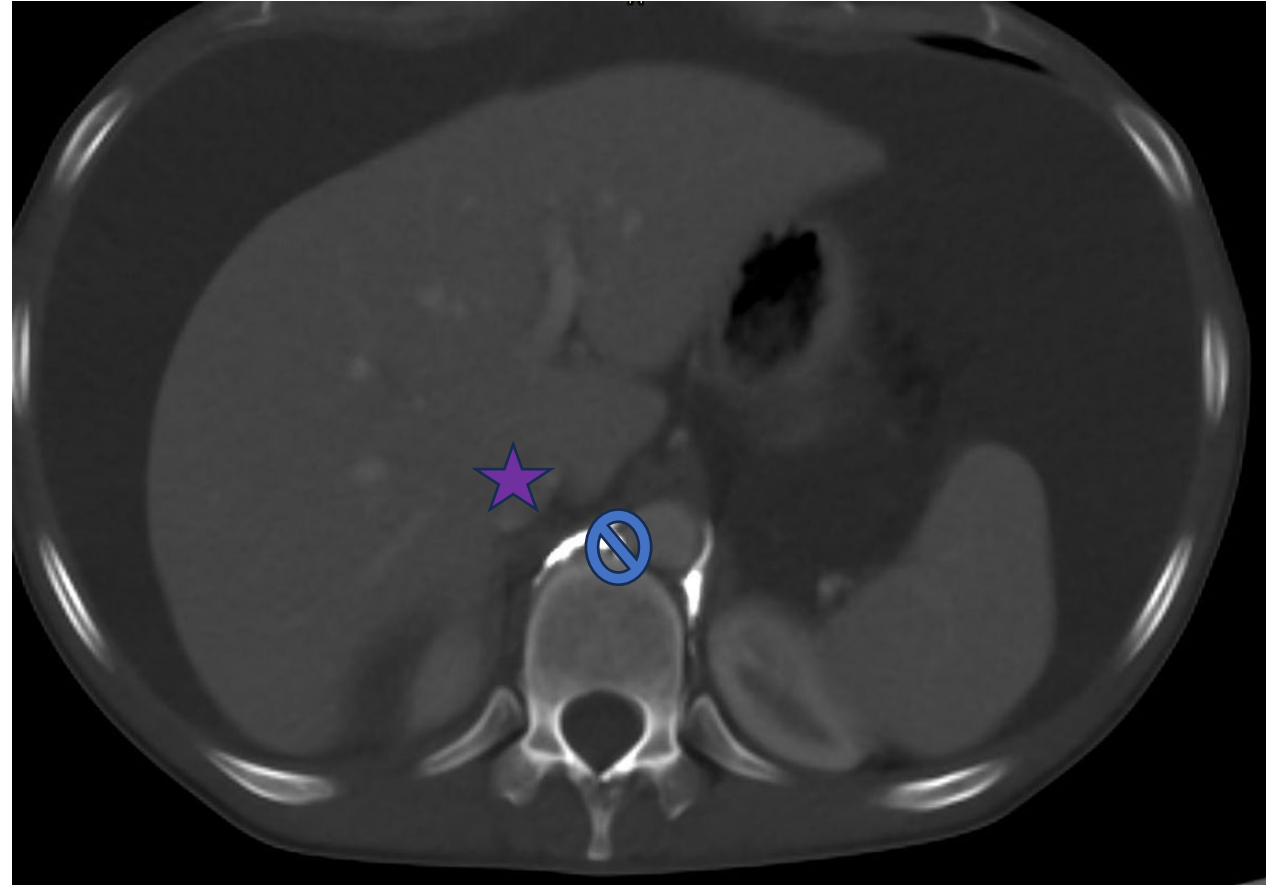

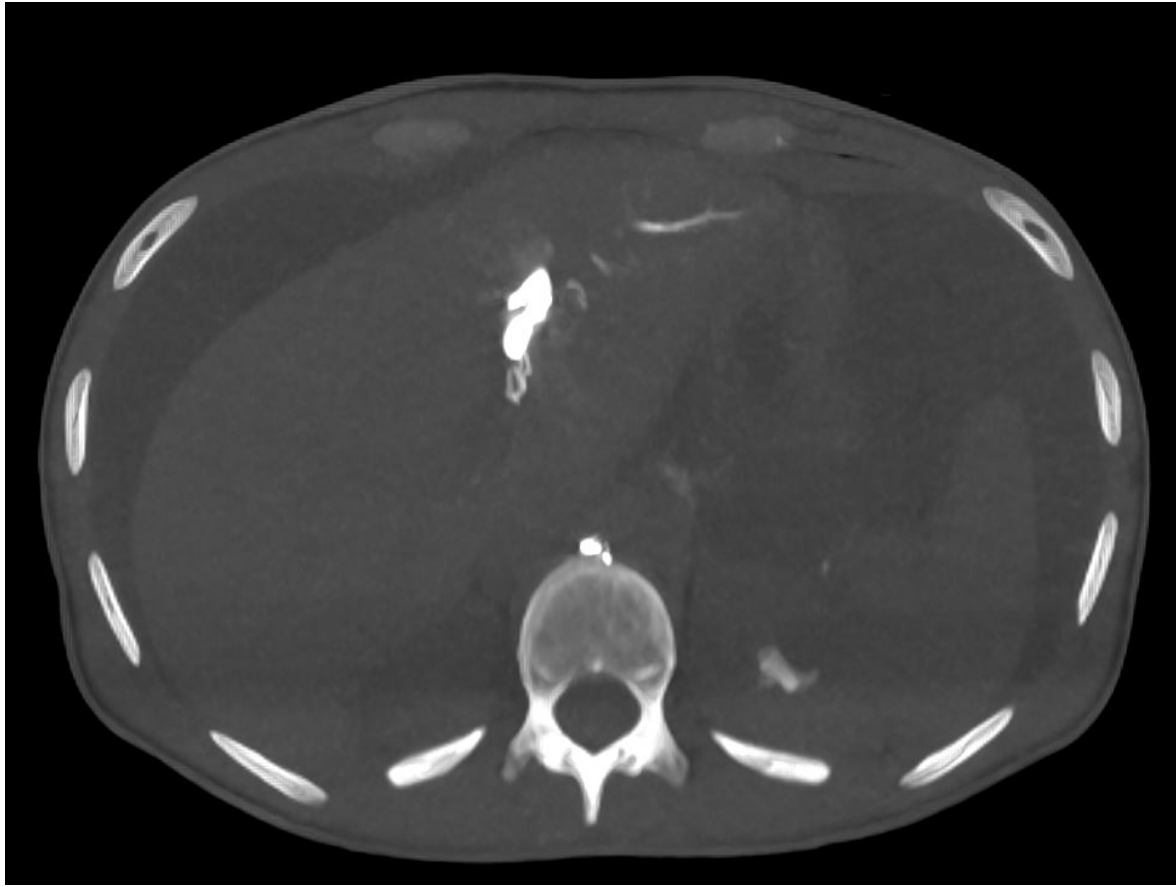

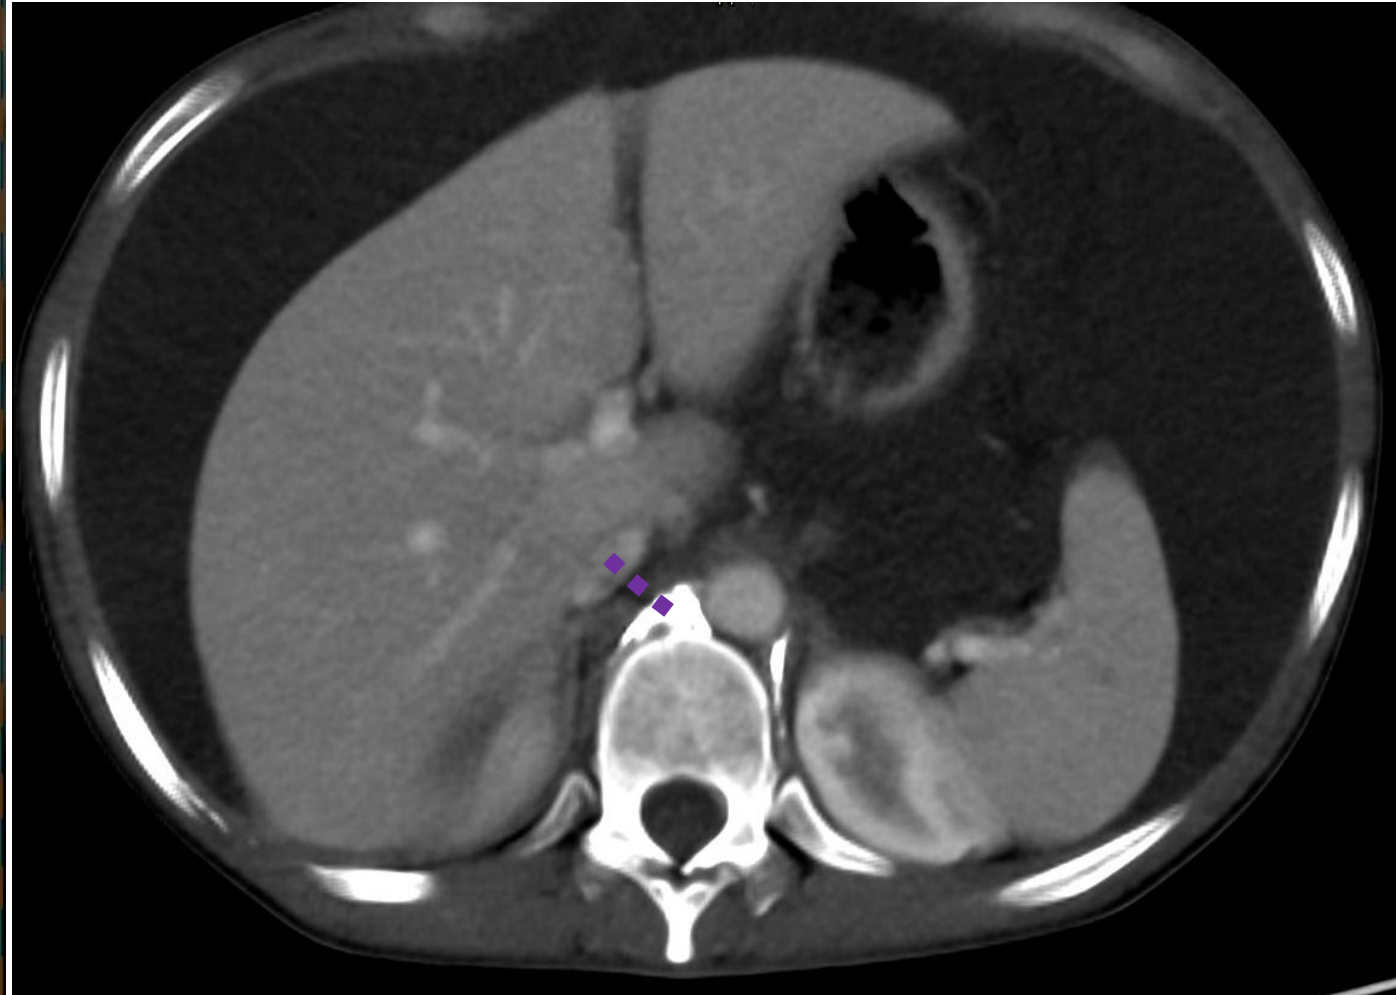

Ascites

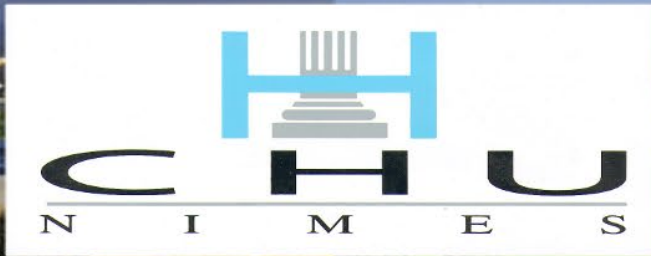

# Discuss a DILS ?
